SOES [(School of Environmental Studies), Jadavpur University, Calcutta - 700 032, India] list of publications on Groundwater arsenic pollution in West Bengal-India and Bangladesh.

1992

Environmental Pollution & Chronic Arsenicosis in South Calcutta, West Bengal. D.N.Guha Mazumder, J.Das Gupta, A.K. Chakraborty, A. Chatterjee, D.Das & D.Chakraborti; Bulletin of World Health Organization; 70 (4) (1992) 481-485.

1993

A Study of Ground Water Contamination by Arsenic in the Residential Area of Behala, Calcutta due to Industrial Pollution. Amit Chatterjee, Dipankar Das & D.Chakraborti; Environmental Pollution, 80 (1), 57-65, 1993.

1994

Arsenic Contamination in Ground Water in Six Districts of West Bengal: the Biggest Arsenic Calamity in the World. D. Das, A. Chatterjee, G.Samanta, B. Mandal, T. Roy Chowdhury, G. Samanta, P. P. Chowdhury, C. Chanda, G. Basu, D. Lodh, S. Nandi, T. Chakraborty, S. Mandal, S. M. Bhattacharya and D.Chakraborti, Analyst, 119, 168N-170N, 1994.

1995

Arsenic in Ground Water in Six Districts of West Bengal, India: The Biggest Arsenic Calamity in the World Part 1. Arsenic Species in Drinking Water and Urine of the Affected People. Amit Chatterjee, Dipankar Das, Badal K. Mandal, Tarit Roy Chowdhury, Gautam Samanta & Dipankar Chakraborti. Analyst, 120, 643-650, 1995.

Arsenic in Ground Water in Six Districts of West Bengal, India: The Biggest Arsenic Calamity in the World. Part 2. Arsenic Concentration in Drinking Water, Hair, Nails, Urine, Skin-scale and Liver Tissue (biopsy) of the Affected People. Dipankar Das, Amit Chatterjee, Badal Mandal, Gautam Samanta, Bhabatosh Chanda & Dipankar Chakraborti. The Analyst, 120, 917-924, 1995.

1996

Arsenic in ground water in six districts of West Bengal, India. Dipankar Das, Gautam Samanta, Badal Kumar Mondal, Chitta R. Chanda, Partha Pratim Chowdhury, Gautam Kumar Basu & Dipankar Chakraborti. Environmental Geochemistry & Health, 18(1), 5-15, 1996.

Arsenic in groundwater in seven districts of West Bengal, India-The biggest arsenic calamity in the world. Badal K.Mandal, Tarit Roy Chowdhury, Gautam Samanta, Gautam K.Basu, Partha Pratim Chowdhury, Chitta R. Chanda, Dilip Lodh, Nirmal K.Karan, Ratan

K.Dhar, Dipak K.Tamili, Dipankar Das, K.C.Saha & D.Chakraborti. Current Science, 70(11), 976-986, June 1996.

1997

Arsenic in groundwater in seven districts of West Bengal, India-the biggest arsenic calamity in the world: the status report up to August 1995. Tarit Roy Chowdhury, Badal Kr. Mandal, Gautam Samanta, Gautam Kr. Basu, Partha P. Chowdhury, Chitta R.Chanda, Nirmal Kr.Karan, Dilip Lodh, Ratan Kr.Dhar, Dipankar Das, K.C.Saha and Dipankar Chakraborti.
Book: Arsenic: Exposure and health effects, Edited by C.O.Abernathy, R.L. Calderon and W.R. Chappell, Chapter 9: 91-111, 1997; Publisher: Chapman & Hall, New York.

Non-cancer Effects of Chronic Arsenicosis with Special Reference to Liver Damage. N. Guha Mazumder, J. Das Gupta, A. Santra, A. Pal, A. Ghose, S. Sarkar, N. Cattopadhaya and D. Chakraborti. Book: Arsenic: Exposure and health effects, Edited by C.O.Abernathy, R.L. Calderon and W.R.Chappell, Chapter 10:112-123, 1997; Publisher: Chapman & Hall, New York.

Groundwater arsenic calamity in Bangladesh. Ratan K. Dhar, Bhajan Kr. Biswas, Gautam Samanta, Badal Kr.Mandal, D. Chakraborti, Shibtosh Roy, Abu Jafar, Ariful Islam, Gulshan Ara, Saiful Kabir, A. Wadud Khan, S. Akther Ahmed and S. Abdul Hadi. Current Science, 73(1), 48-59, 1997.

Chronic arsenic toxicity in West Bengal. B.K. Mandal, T. Roy Chowdhury, G.Samanta, G.K.Basu, P.P.Chowdhury, C.R.Chanda, D.Lodh, N.K.Karan, R.K.Dhar, D.T.Tamili, D. Das, K.C.Saha and D.Chakraborti. Current Science, 72(2), 114-117, 1997.

1998

Impact of safe water for drinking and cooking on five arsenic-affected families for 2 years in West Bengal, India. B.K. Mandal, T.R. Chowdhury, G. Samanta, D.P. Mukherjee, C.R. Chanda, K.C. Saha, D. Chakraborti. Science of the Total Environment, 218, 185-201, 1998.

Arsenic levels in drinking water and the prevalence of skin lesions in West Bengal, India. D.N. Guha Mazumder, R. Haque, N. Ghosh, B.K. De, A. Santra, D. Chakraborti and A. H. Smith, International Journal of Epidemiology, 27: 871-877, 1998.

Detailed study report of Samta one of the arsenic affected villages of Jessore district, Bangladesh. Bhajan K. Biswas, Ratan K. Dhar, Gautam Samanta, Badal K. Mandal, Imtiaz Faruk, Kazi Saiful Islam, Md. Moniruzzaman Chowdhury, Ashraful Islam and Shibtosh Roy and Dipankar Chakraborti. Current Science, 74(2), 134-145, 1998.

Calcutta's industrial pollution: Groundwater arsenic contamination in a residential area and sufferings of people due to industrial effluent discharge - An eight-year study report. D. Chakraborti, G. Samanta, B.K. Mandal, T. Roy Chowdhury, C.R. Chanda,

B.K. Biswas, R.K. Dhar, G.K. Basu and K.C. Saha. Current Science 74(4), 346-355, 1998.

1999

Arsenic poisoning in the Ganges delta.
T. Roy Chowdhury, G. K. Basu, B. K. Mandal, B. K. Biswas, U.K.Chowdhury, C. R. Chanda, D. Lodh, S. L. Roy, K. C. Saha, S. Roy, S. Kabir, Q. Quamruzzaman and D. Chakraborti.
Nature, 401, 545-546, 1999.

Groundwater arsenic contamination and sufferings of people in West Bengal, India and Bangladesh: status report up to March 1998. B.K. Mandal, B.K. Biswas, R.K. Dhar, T.Roy Chowdhury, G. Samanta. G.K. Basu, C.R. Chanda, K.C. Saha, S. Kabir, S. Roy and D. Chakraborti.
Book: Metals and Genetics, Edited by Bibudhendra Sarkar, Publisher: Kluwer Academic/Plenum Publishers, New York, 3: 41-65, 1999.

Flow Injection Hydride Generation Atomic Absorption Spectrometry for determination of arsenic in water and biological samples from arsenic affected districts of west Bengal, India and Bangladesh. Samanta, T. Roy Chowdhury, B. K. Mandal, B.K. Biswas, U.K. Chowdhury, G. K. Basu, R. Chanda, D. Lodh and D. Chakraborti. Microchemical Journal 62, 174-191, 1999.

Arsenic groundwater contamination and sufferings of people in Rajnandgaon district, Madhya Pradesh, India. D.Chakraborti, B.K.Biswas, T.Roy Chowdhury, G.K. Basu, B.K. Mandal, U. K. Chowdhury, S.C. Mukherjee, J.P. Gupta, S.R. Chowdhury, K.C. Rathore. Current Science, 77(4), 502-504, 1999.

Arsenic Orphans. Dipankar Chakraborti. Banabithi, Environmental Special Issue, Department of Environment & Forest, Government of West Bengal, India, June, 1999, p7-16.

Groundwater arsenic contamination and sufferings of people in Bangladesh. U.K. Chowdhury, B. K. Biswas, R. K. Dhar, G. Samanta, B.K. Mandal, T.Roy Chowdhury, D. Chakraborti, S.Kabir, S. Roy.
Book: Arsenic Exposure and Health Effects, Edited by W. R. Chappell, C.O.Abernathy, R.L. Calderon, 165-182, 1999; Publisher: Elsevier, Amsterdam-Lausanne-New York-Oxford-Tokyo.

2000

Groundwater arsenic contamination in Bangladesh and West Bengal-India. U.K. Chowdhury, B. K. Biswas, T. Roy Chowdhury, G. Samanta, B.K. Mandal, G. K. Basu, C.R. Chanda, D. Lodh, K. C. Saha, S. C. Mukherjee, S.Roy, S. Kabir, Q. Quamruzzaman and D. Chakraborti. Environmental Health Perspective, 108: 393-397, 2000.

Groundwater arsenic calamity in West Bengal-India and Bangladesh. U.K. Chowdhury, B.K. Biswas, G. Samanta, B. K. Mandal, T. Roy Chowdhury, R. K. Dhar, G. K. Basu, C. R. Chanda, K. C. Saha, S. Roy, S. Kabir and D. Chakraborti.
Book: Bioavailability and its potential role in risk assessment, Publisher: John Wiley, 2000 (in press).

Arsenic groundwater contamination and sufferings of people in West Bengal-India and Bangladesh. U. K. Chowdhury, B. K. Biswas, T. Roy Chowdhury, B. K. Mandal, G. Samanta, G. K. Basu, C.R. Chanda, D. Lodh, K. C. Saha, D. Chakraborti S. C. Mukherjee, S. Roy, S. Kabir, Quamruzzaman.
Book: Trace Elements in Man and Animal, Publisher: Plenum Publishing Corporation, New York, 2000 (in press).

Arsenic in Drinking Water and the Prevalence of Respiratory Effects in West Bengal, India. D. N. Guha Mazumder, R. Haque, N. Ghosh, B.K. De, A. Santra, D. Chakraborti and A. H. Smith. International Journal of Epidemiology, 2000 (in press).

HPLC-ICP-MS for speciation of arsenic compounds in urine. G. Samanta, U. K.Chowdhury, B.K. Mandal, N. Chandra Sekaran, H. Tokunaga, M. Ando and D. Chakraborti. Microchemical Journal, 2000 (proof corrected).
